

11. Kwaebibirem Municipal Assembly. (Waste Water Refuse Disposal)
Bye-Laws, 2018

1. Duty to provide linkage drain

- (1) The owner of a household or occupier of premises shall connect a linkage of waste water after the main storm drain or culvert, except sewerage wherever available.
- (2) The linkage drain shall be made of concrete and shall also be covered.

2. Provision of waste bin

A household, an owner or occupier of premises shall provide a waste bin for which the owner shall pay a fee to the Assembly's approved Contractor for the collection of waste garbage. A person who without lawful justification or excuse, the prove of which shall be on him, refuses or wilfully neglects to pay for any fees payable by him for refuse collection services commits an offence and is liable on conviction to a fine not less than twenty penalty units and in addition pay the said arrears.

3. Application

These bye-laws apply to premises such as dwelling houses, industrial or commercial houses, structures of sheds whether or not permanently occupied within the Assembly's area of jurisdiction.

4. Penalty

A person who contravenes any of the provisions of these bye-laws commits an offence and is liable on summary conviction to not less than thirty penalty units or to a term of imprisonment not more than six months.

The equivalent of an applicable penalty unit will be indicated in the relevant fee fixing resolution or fixed by the Court.
