XXXIX. **Kwaebibirem Municipal Assembly (Water and Sanitation Services) Bye-Laws, 2018**

1. Rural Water Supply

The Assembly shall connect communities to her pipe scheme through the Water and Sanitation Management Team.

2. Connecting to the Scheme

An owner of a house or occupier of any premises may be connected to the water scheme upon receipt from him, an application and payment of the appropriate charges.

3. Customer Service

The Team shall supply potable water to customers within its catchment area and bill them monthly for the services rendered. Payment shall be done within two weeks after receiving the bill.

4. Penalty

A person who without lawful justification or excuse, the prove of which shall be on him, refuses or wilfully neglect to pay for any bills payable by him after water consumption commits an offence and is liable on conviction to a fine of ten penalty units including the payment of the said arrears.
